

Dear Friend of Advance Memphis,

It's that time again!...We are thrilled to share our annual Art for Jobs event is returning September 24–26, 2024. The incredible support we receive each year through Art for Jobs is a significant part of the work we do in supporting our South Memphis neighbors as they move from cycles of poverty toward financial stability.

Last year generous sponsors, patrons, artists, and volunteers partnered with us, making Art for Jobs another huge success. Our sights are set on an even greater 2024 with the goal of raising \$250,000 in event sponsorships, art sales, and contributions. ***Would you and your company consider partnering with us to promote economic stability in South Memphis this year?***

Advance Memphis equips its neighbors in the 38126 and 38106 zip codes by providing work readiness classes, financial literacy, coaching and holistic employment development—all of which foster financial stability and support them in finding and keeping meaningful work. This past year with 32 new graduates entering the workforce and all graduates earning over \$717,340 in gross income, Advance Memphis impacts the individual, the community, and our city. In the midst of this challenging economy, our mission to cultivate long term transformational relationships and address issues of joblessness remains crucial.

We are excited to announce ***Patriot Bank as our Presenting Sponsor***, and present this year's ***featured artists Dimitri Stevens, Hailey Roaten, and Rose Marr-Scott***. These partners, along with hundreds of dedicated patrons, allow us to continue doing the work we do. As an Art for Jobs Sponsor, you receive the enclosed sponsorship benefits as our way to show appreciation for your partnership in impacting the city. And most importantly, you will be invited to each of the Art for Jobs events September 24–26, including the in-person party at our warehouse gallery.

We will provide more details on the schedule of events in the coming months. We look forward to gathering with our sponsors, featured artists, board members, and the community!

I will be contacting you in the next couple weeks to answer any questions, and I hope you will join us for Art for Jobs 2024.

Sincerely,

Steve Nash
