**Artist Registration Deadline:** September 1, 2023

**Register online:** <https://forms.gle/SePgbN4R7GiFy9T18>

**Artwork Drop Off: August 15 - August 31 @ 769 Vance Avenue**

New for 2023! You will only be able to drop off artwork during these specific times:

**Tuesdays 1 - 5 pm | Wednesdays 1 - 5 pm | Thursdays 1 - 7 pm**

**Number of Donations:** Each artist may submit 1-3 pieces of artwork. A diptych or triptych each count as one submission as long as they are titled and sold as one piece.

**Artwork Content:** We reserve the right to limit submissions to artwork that is appropriate for our family-friendly event.

**Hanging Hardware:** Please make sure your artwork is properly wired for hanging, even if it is a donated piece. This will help speed up the gallery set up process.

**Size & Price Guidelines:** We want to help you be as successful as possible at our show! Over the past 12 years of Art for Jobs, this is what we have seen to be true in order to appeal to a larger range of buyers. But, please know these are just suggestions:

- **Sizing:** We recommend *varying* the sizes of your artwork and offering pieces that are *not too large* for the average buyer's home. In our experience, this would be artwork less than 60" wide.
- **Pricing:** Our goal is to set prices that honor the artist's work while also encouraging attendees to purchase the work to support Advance Memphis. The largest majority of our art sales have fallen in price range of \$250 - \$2,000.
